

Dear Friend of the Sylmar Channel Project,

Thank you to everyone who attended our May 11<sup>th</sup>, 2022, virtual community webinar for the Sylmar Channel Project. We appreciate your interest in the project. We are forwarding the following information from the meeting and regarding the project:

- May 11, 2022, Interactive Community Meeting [PowerPoint Presentation](#)
- Sylmar Channel Project [English Fact Sheet](#) and [Spanish Fact Sheet](#)
- [Sample letter of support for the project](#)

We welcome and need your support for the Sylmar Channel Project. As we mentioned in the webinar, this project will be submitted for consideration for the LA County's Safe Clean Water Program.

The Sylmar Channel Project has not yet received the funding it needs to move forward. However, by demonstrating your support of this project, you will increase the chances that this project will receive funding. There are two ways that you can show your support for this important project:

1. **Written Support:** If you are interested in providing a letter of support, here is a [sample letter](#) for your consideration. Please e-mail your letter of support to [san.safecleanwater@lacity.org](mailto:san.safecleanwater@lacity.org) **by Thursday, June 30, 2022.**
2. **Vocal Support:** LA Sanitation will provide you with information and instructions on how you can provide your vocal support of the Sylmar Channel Project at future Upper LA River Watershed Area Steering Committee (ULAR WASC) meetings during public comments. We anticipate that these meetings will take place in late 2022 and early 2023. In the meantime, you may [learn more about the ULAR WASC here](#).

If you'd like to learn more about the City of Los Angeles' Safe Clean Water Program, please [visit our website](#). If you have any questions about the Sylmar Channel Project, please e-mail LA Sanitation & Environment at [san.safecleanwater@lacity.org](mailto:san.safecleanwater@lacity.org) and place "Sylmar Channel Project" in the subject line.

We look forward to partnering with you to create healthy LA ecosystems and a more sustainable Los Angeles.

Sincerely,

Safe Clean Water Team  
LA Sanitation and Environment
